Cranberry Connections

Presents

Cranberry Goes Green

Sustainability is an awareness of the **E**nvironment, **E**conomy, and social **E**quity (the three E's). Decision-making processes that consider the positive or negative impacts to the three E's produce successful results, the positive benefits of which are long-lasting. "Cranberry Goes Green!" will be a panel discussion about how individuals, organizations, communities, businesses and homeowners can make every-day decisions with sustainability in mind.

Monday, September 22

9:00 a.m.—11:00 a.m.

FREE to attend

Cranberry Municipal Center
Council Chambers Room
